### **ANNOUNCEMENTS**

**ALTAR FLOWERS TODAY** – Altar flowers this day are given to the Glory of God; and in joy & thanksgiving for all of God’s blessings by parishioners.

**WORSHIP TODAY:** We welcome the Rev Laurel Dykstra from **Salal+Cedar** this morning. Rooted in place, tradition and history, Salal + Cedar is a ministry of the Anglican Diocese of New Westminster that strives to be accessible to all bodies: *“We meet regularly for worship outdoors, education, and action. We are part of a growing movement across Turtle Island (North America) of communities of Christians re-connecting to the creation-values and land covenants at the core of our tradition; we practice contemplative ecology and spiritually rooted action.”*

**PASTOR RUTH AWAY IN MAY:** Pastor Ruth is away for Clergy Conference, May 01-03. During this time, Pastor Ruth can still be reached for pastoral emergencies by leaving a message and contact information on the church voicemail (604-299-6816). The voicemail will be regularly checked.

**GAMES NIGHT!** Enjoy playing board games with your family and friends? On Saturday, May 06, from 6 pm to 8:30 pm, we will have a Games Night in the hall. Some games will be provided, but additional games are always welcomed. Please also bring your favorite snacks to share.

**DIOCESAN FINANCIAL SUSTAINABILITY INFO SESSIONS:** There will be two sessions on Saturday, May 6, 2017:

- 10 am-12 noon at St. Agnes, North Vancouver
- 1:30-3:00 pm at The Anglican Parish of the Church of the Epiphany, Surrey

These sessions are open to everyone. At these information meetings, presenters will outline the Financial Sustainability models that Bishop Skelton, and Bob Hardy, Diocesan Treasurer, will be proposing to Synod following the diocese-wide consultations on assessment that took place last fall plus Diocesan Council input from the two recent meetings, January 11 & March 22, 2017. This information will also be shared at the May 8 meeting at Holy Trinity Cathedral, New Westminster, with other information geared towards those clergy and lay delegates attending the 117th Synod in the Diocese of New Westminster on May 26 & 27, 2017. <http://vancouver.anglican.ca/events/financial-sustainability-info-sessions/2017-05-06>

**KITCHEN PLANNING TEAM:** We are looking for 1-2 people who are keen to see St Timothy's put the newly renovated kitchen to great use to meet with Pastor Ruth to look at what needs to happen next to make that happen.

**MIDWEEK EUCHARIST:** The midweek Eucharist begun during Lent will take a short break. It will restart at a new time – 10 am – on Wednesdays beginning on May 10th. All who are able are welcome to attend this simple, short Eucharist service.

**PLANNED GIVING INFORMATION:** Updated information booklets on making donations as part of your estate planning are available in the entryway.

**CONTACT PASTOR RUTH:** The Rev. Ruth Monette welcomes the opportunity to get to know each of you. She can be reached by e-mail at [priest@sainttimothy.ca](mailto:priest@sainttimothy.ca) and by phone in the church office, 604-299-6816. Pastor Ruth is generally in the office by 9:30 am Monday to Thursday.

**JOB-OF-THE-WEEK:** Volunteers are needed to help redress the area over the recent excavation. We need to rake out the rocks to be able to plant new grass seed. The rocks need to be removed to make mowing easier and safer when the grass does grow. If you can help, even for a short time, on May 06, at 10 am, please contact Donnie F.

**Interim FAQ - *Why can't we just keep the Interim Priest-in-Charge?*** This question is flattering to your Interim Priest-in-Charge (you like me! you really like me!), but, no matter how great a fit we might be as priest and parish, the work of the Interim still needs to happen. No matter how hard we work as priests to keep our own agendas from overriding collaborative leadership, we are key leaders in a parish's life. Additionally, every rector has particular gifts and skills – some areas of a parish's life will get more or less attention

based on those gifts and skills. Over time as a parish, we can forget that we're not doing more of **X** because the Rector doesn't really like that work and assume we just don't do **X** here. When a rector leaves, it is necessary for the parish to evaluate its current life (who are you now?) and reflect on the future directions (who are you becoming?) before calling a new rector. It is the work of the Interim Priest-in-Charge to care for the parish and encourage the evaluative work. The normal pattern is for the Interim Priest-in-Charge not to be considered as the next rector. This prevents the priest from treating the whole Interim period as one long job interview and frees her to tell difficult truths and encourage hard decisions. It can also let the Parish experiment with a different leadership style or personality or quality about a priest that they might not be ready to call as their rector. Got more questions? Talk with Pastor Ruth or the Wardens!

Do you have a Canon printer that uses black toner cartridges like the one in this picture? If so, please see Pastor Ruth. This cartridge is free for the asking – you just need to pick it up soon.
